Welcome to Warwick

Warwick Business School (WBS) isn't just a world-class business school at the heart of a world-class university; it's a hub of curiosity that is constantly challenging the status quo and championing business as a power for good.

With a healthy balance between theory and practice, we truly transform people by developing them both professionally and personally. We're for the people excited by everything around them, driven to learn, question, debate and have real impact.

Whether you want to change the world or simply a point of view, we welcome the curious, the open, the restless and the excellent from all over the world to create a culture built for the change makers.

WBS equips you with the knowledge, skills, experience, and global networks you need for whatever you want to do next.

Are you in?

Warwick Business School

WBS is a large, dynamic and thriving triple accredited school at the University of Warwick, with a vision to be Europe's leading University-based Business School. Our work is based on our drive to develop cutting-edge research, to provide a transformational learning experience and to work in partnership with policy and practice. Our programmes continue to perform strongly in a diverse range of national and international rankings.

University of Warwick

The University of Warwick is a modern, world-class campus-based university located at the heart of the United Kingdom, on the outskirts of Coventry – the UK's City of Culture for 2021. The University's location means that you will be well connected to the major towns and cities of the UK and will be able to enjoy the countryside of Warwickshire. There is a lot of information on the University's main web site which will tell you about the University, our campus and our thriving multicultural community:

warwick.ac.uk/about/visiting/region

warwick.ac.uk/engagement/campuscommunity

As a campus-based university, you will have immediate access to a range of social, sporting and cultural opportunities to make your time at Warwick as enjoyable and as fulfilling as possible. Please explore our campus and what it can offer you during your studies:

warwick.ac.uk/about/campus

If you need help securing somewhere to stay during your studies Warwick Accommodation is on hand to help you. They offer a range of off-campus options. We would recommend staying south of the campus, in the towns of Kenilworth or Leamington Spa. Both have great bus links to campus and plenty of lovely places for eating and drinking:

The QTEM Masters Network at WBS

WBS is proud to host students from the QTEM Masters Network. You can find the most up-to-date information about the QTEM offering at WBS on our website.

Academic Programme Structure

WBS offers QTEM students the opportunity to undertake an academic term at two different points in the year:

Spring Term: January-March

Three pathways available (Finance, Business, Analytics)

Summer Term: April-July

Two pathways available (Business, Analytics)

For each of the possible pathways, the modules available in 2021/22 were:

Spring Term

Finance Stream	Business Stream	Analysis Stream
Alternative Investments	Business Analysis & valuation	Advanced Data Analysis
Behavioural Finance	Corporate Finance	Forecasting
Fixed Income & Credit Risk	Fundamentals of Economics Behaviour	Pricing Analytics
Judgement & Decision Making	Big Data Analysis	Supply Chain Analytics

Summer term

Business Stream	Analysis Stream
Forecasting for Decision Makers	Discrete Event Simulation
Behavioural Economics	Text Analytics
Business in Practice (double weighting)	Business in Practice (double weighting)

Term Dates

Teaching will take place during the term dates below:

2022/23:

Spring Term: Monday 9 January 2023 - Saturday 18 March 2023

Summer Term: Monday 24 April 2023 - Saturday 1 July 2023

2023/24:

Spring Term: Monday 8 January 2024 - Saturday 16 March 2024

Summer Term: Monday 22 April 2024 - Saturday 29 June 2024

For the Spring Term, modules are taught across the duration of the term, so you will be studying your modules simultaneously. We expect all students to arrive no later than Monday 9 January 2023/ 8 January 2024 to be inducted and begin their studies, and students will be required to be on campus until at least Saturday 18 March 2023/ 16 March 2024 to complete their teaching. It is then up to the student if they wish to stay in the UK until their exams in late April/ early May, or to return home and come back.

For the Summer Term, the modules are block taught, which means each module is taught either across one or two weeks. This means you may have weeks during the term that you are not undertaking any face to face study. The total face to face study for the Summer Term will be four weeks. However, we will be running an induction for students in the week beginning Monday 24 April 2023/ 22 April 2024, and all students will need to be on campus until the end of the term for the Business in Practice module, so we would recommend that students are resident in the UK for the duration of the Summer Term. The Summer Term modules do not have exams.

Students will have the same overall workload (including face to face hours) in both terms; the teaching is simply spread differently.

Useful information

Assessments

WBS modules are assessed by group work, tests, examinations* and individual essays, or a combination of these methods.

*Spring term only

Assessment Marks

The UK University marking system is based on a percentage scheme (1-100%), rather than an alpha system of A-F, etc. The pass mark for postgraduate modules is 50%.

How to Apply

All QTEM students must be selected through a competitive process undertaken by your home institution and the central QTEM Team. Please contact your home institution for information on this process.

We expect all students to meet a minimum level of English to be able to study with us. If you are a non-native speaker of English and have not been educated in English for your current or previous degree, we expect students to meet the following criteria:

IELTS (academic) 7.0 – all four language elements have to be scored 6.0+, with a maximum of two language components at lowest level 6.0 or 6.5

PTE (academic) 7.0 – with 51+ in every section

CPE/CAE – 190 overall; 2 x 170, 2 x 190

TOEFL 100 – minimum language components L21, R22, W21, S23.

Living Costs

You will need to budget for a range of expenditure during your time at Warwick including food, toiletries, laundry, social activities, travel, etc. As a guide, we would suggest that you budget for at least £600 per calendar month for general living expenses; this is in addition to your accommodation costs. If you need any help or guidance on financial or welfare matters, you can contact the Warwick Students' Union.

W warwicksu.com

Visa advice

You will need to make sure that you have the correct visa in place as part of your preparations to study at Warwick. Please check the following website to see if you need a visa to study in the UK as an exchange student.

W gov.uk/check-uk-visa

Please note that you will be registered as a part-time student at the University of Warwick.
